Joyce,

Here is what we found so far. Green Analytical is in Durango (apparently the only lab in Durango). Weekend analyses may be an issue.

I will provide more info as we get it.

Scott,

A Request for Quote has been sent to the following two labs. I also inquired about weekend lab capabilities, so we should have more information soon.

Envirotech Inc.

5796 US 64, Farmington, NM, 87401

Phone: 505-632-0615

Green Analytical Laboratories

75 Suttle Street, Durango, CO, 81303

Phone: 970-247-4220

The technical director of Green Analytical just called me as well and told me he is able to come in on a Saturday to run samples if needed. I'll keep you updated with any other information I get.

Thanks,

Moira Pryhoda
